

NH Energy Week

Celebrating what works. Scaling what's next. Powering New Hampshire forward.

HAPPY NH ENERGY WEEK!

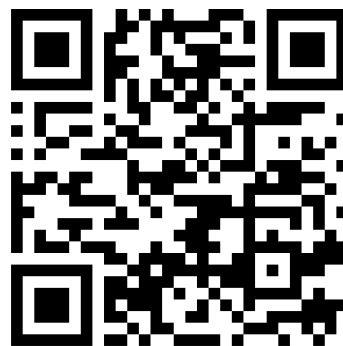

Our Coloring & Activity Book was created to be a fun, interactive, and educational way for kids and families to learn about clean energy in NH.

Through coloring pages, puzzles, and your imagination, we hope you'll discover exciting ideas about sustainability and how small actions can make a big difference in your community and for our planet.

Be an Energy Hero!

If you had a superpower to help the Earth, what would it be? Draw yourself using your energy superpower and show the changes in your town or planet around you.

Tag us on social media using **#NHEnergyWeek2026** and we'll share **your artwork**. Your art helps us celebrate NH Energy Week and shows how your actions can help build a bright energy future in NH.
